REMARKS

- Sections in which you scored below the 50th percentile represent your weakest subject matter areas. Concentrate study there first.
- PNA points are computed from the most recent three exam cycles in which you passed but were not advanced. Maximum 9 points.
- RSCA PMA reflects your reporting senior's cumulative average and is computed per BUPERSINST 1430.16G. Maximum 5.80.
- Discrepancies must be reported to your ESO within 30 days of profile sheet release.
- THIS IS A TRAINING / TEST DOCUMENT. All data is fictitious and generated for software testing purposes only.
